Helping people to help themselves

Christmas Funday

The annual Valley Industries Funday was held at Old Bar Bowling club again in December and a very good time was had by all.

Bowling, dressing up for the photo booth, silly hat competition, lucky door prizes and the Outstanding Achievement Awards provided entertainment for everybody.

Over 225 Valley Industries Participants, families and carers and staff joined in the celebrations and truly got in to the Christmas spirit.

After the delicious Christmas lunch the day was finished off with a fabulous disco where everybody showed off their dancing skills!

By the time the buses came to collect everyone and take them back home, there were a lot of very happy and exhausted attendees!

End of year Spectacular!

The Valley Skills for Life end of year Spectacular was a fun packed event with music, drama, singing, dance and jokes!

Tony Berry wowed the audience with his Beatles renditions; Sophie, Ella and Alyssa did a fabulous version of This is me; there was a group performance of Mamma Mia and the drama group put on a fantastic play called 'Spideralla'. After lots of happy singing, Participants families and carers took time to admire the art and crafts and join in a lovely Christmas lunch hosted by the Culture Cooking team. It was a great event and a demonstration of just how talented the VSFL team are!
