

16 March 2020

Valley Industries Statement on COVID-19 (coronavirus)

Valley Industries is moving to a phased social distancing strategy from today, Monday 16 March 2020, to do our part to slow the spread of COVID-19 and keep our participants, staff and communities health. This means that our staff will remain hard at work supporting our people with disabilities and will continue to respond to the advice from NSW Health as they receive it.

Support Cancellations:

Friday Night Ten Pin Bowling has been suspended due to COVID-19 (coronavirus) concerns

In light of recommendations from the Australian Government regarding large gatherings, Valley Industries has decided to limit travel to only the most essential meetings and programs run by Valley Industries. We want to do our part to keep the community safe and stop the spread of this disease.
