

Position Vacant

Disability Support Worker

Are you passionate about working in the community sector?

Do you want an opportunity to work alongside people with different abilities and strengths?

Can you communicate well with different people?

Do you have a “can do” attitude?

Then this may be the opportunity for you!

Valley Industries are looking for applicants who would be interested in assisting in the delivery in a range of activities of daily living and accommodation services to people with varying degrees of disability.

We provide supports for individuals with a disability and some of this support is 24-hour home-based support. We specialise in caring for those with complex and multiple care needs.

Selection Criteria

1. Previous working experience working with people with disability.
2. Completion or currently undertaking Certificate III in Individual Support (or equivalent)
3. Demonstrated ability to liaise effectively and appropriately with clients, colleagues and stakeholders.
4. Good written and oral communication skills.
5. Successful NDIS Worker Check.
6. COVID-19 vaccination

Desirable

1. LR Licence, or willing to undertake within the specified time frame.

People from indigenous backgrounds, people from culturally and linguistically diverse backgrounds are encouraged to apply.

All interested applicants are to email employment@valley-industries.com.au to receive employment pack. Applications will only be considered on completion of employment pack and meeting the selection criteria above. Should you not be able to meet our requirements your application will not be considered.
